Dean: Harvey Kahalas

RESEARCH INSTITUTES

The Institute for Food Safety and Health (IFSH) is a world-renowned food science research institute focusing on food safety, food defense, and nutrition for stakeholders in government, industry, and academia.

Pritzker Institute of Biomedical Science and Engineering is an umbrella organization that enhances the biomedical science and engineering research activities at Illinois Tech.

Wanger Institute for Sustainable Energy Research (WISER) is an umbrella organization that joins energy and sustainability research with educational activities across the colleges and institutes at Illinois Tech.

RESEARCH AFFILIATES

IIT Research Institute (IITRI) is an independent, not-for-profit, contract research organization focusing on the life sciences.

2015 RESEARCH VOLUME: $17 million

University Technology Park at Illinois Tech is a state-of-the-art research park comprised of laboratories, office buildings, and an incubator to assist science and technology startups and growing businesses.

2015 TENANTS: 21

did you know?

• The Ed Kaplan Family Institute for Innovation and Tech Entrepreneurship at Illinois Tech is being designed by acclaimed Chicago architect John Ronan.

• PayScale recently ranked Illinois Tech #5 among Midwestern universities for the salary potential of its graduates who earn a bachelor's degree.

• The cell phone, magnetic recording, tall building architecture, and bar code technology are just a few of the innovations associated with Illinois Tech faculty and alumni.

• S. R. Crown Hall, home to Illinois Tech’s College of Architecture, is a National Historic Landmark—and is considered by many to be one of the iconic buildings designed by legendary architect Ludwig Mies van der Rohe.

• Alan W. Cramb was inaugurated as Illinois Tech’s ninth president in 2015.

• Illinois Tech celebrated its 125th anniversary in 2015.

• The Master of Science in Finance Program at Stuart School of Business is ranked 6th in the nation and 33rd in the world by the Financial Times.

• In 2015 the Nayar Prize was established to recognize innovations developed by Illinois Tech faculty, staff, and students that have a meaningful societal impact.
DISTINCTIVE EDUCATIONAL PROGRAMS

IPRO
The Interprofessional Projects (IPRO) Program features teams of students from a variety of majors that develop solutions to real-world problems using design-centered methodology and innovative thinking.

M. A. AND LILA SELF LEADERSHIP ACADEMY
The M. A. and Lila Self Leadership Academy is a special student training program designed to develop the next generation of global leaders.

DUCHOSSOIS LEADERSHIP SCHOLARS PROGRAM
One of Illinois Tech’s most prestigious opportunities, the program challenges students to think boldly and creatively in their field and across disciplines—and provides support to experiment and pursue extraordinary work.

SPECIAL DEGREE PROGRAMS
Qualified Illinois Tech students can take graduate-level courses in their third year of undergraduate study—and earn both their bachelor’s and master’s degree in a wide variety of programs in only five years.

CAMPUS LOCATIONS

Mies (Main) Campus, 3300 South Federal Street, Chicago

Downtown Campus (Chicago-Kent College of Law, Stuart School of Business—part-time program), 565 West Adams Street, Chicago

Institute of Design, 350 North LaSalle Street, Chicago

Daniel F. and Ada L. Rice Campus (SAT), 201 East Loop Road, Wheaton, IL

Moffett Campus (IFSH), 6502 South Archer Road, Bedford Park, IL

UNIVERSITY ADMINISTRATION

Alan W. Cramb, President
Frances Bronet, Provost and Senior Vice President for Academic Affairs
David McCormick, Senior Vice President and Director for IIT Research Institute
David Baker, Vice President for External Affairs
Robert Brackett, Vice President and Director for IIT Institute for Food Safety and Health
Anthony D. D’Amato, Vice President, General Counsel, and Secretary
Michael Gosz, Vice President of Enrollment
Joe Hakes, Director of Athletics
Jeanne Hartig, Vice President for Marketing and Communications
Elizabeth J. Hughes, Vice President for Institutional Advancement
Leroy Kennedy, Vice President for Community Affairs and Outreach Programs
Sandra LaPorte, Director, President’s Office
Patricia Laughlin, Vice President for Finance and Administration
Darsh Wasan, Vice President for International Affairs
Bruce Watts, Vice President for Facilities and Public Safety

The university’s senior administration includes its academic deans (see colleges).
