Residential Meal Plans
Illinois Tech requires all undergraduate students living on campus to participate in the meal plan program. They may select between the Hawk 21, Hawk 19, Hawk 14, or Hawk 175 meal plans. Undergraduate students living in apartments with private kitchens may select the Hawk 50 meal plan. Graduate students without access to an in-unit private kitchen are required to select between a Hawk 21, Hawk 19, Hawk 14, or Hawk 175 meal plan. Graduate students living in Graduate Hall may opt to have access to the Grad Hall Kitchen [see below]. Meal swipes may be used in the Commons during posted hours of operation Sunday through Saturday. Each plan has a limited number of meal exchanges available that allow residents to utilize their meal swipes outside of the Commons. Each participating retail location has a designated menu on how exchanges can be used. Unused meals do not carry over from week to week, except for meals in the Hawk 175 and Hawk 50 plans. Failure to use the meal plan does not cancel your financial responsibility for paying for the meal plan.

Commuter Meal Plans
Non-residential students are invited to participate in Illinois Tech’s meal plan program. Meal Plan Only contracts are available each semester for submission online. Commuters may select the plan that best suits their needs. Commuters are encouraged to check their financial aid packages (if applicable) to ensure coverage of their desired meal plan prior to submitting a contract.
