COMMUNITY INSPECTIONS

- Students do not need to be present during the inspection.
- Documentation will be left in each room after the inspection to inform students of the inspection results.
- Inspections will be conducted by Residence and Greek Life professional and student staff.
- When the inspection is completed, staff will lock the door. During this time, lockouts will be performed at no cost for residents who are locked out due to Community Inspections.

This is a non-exhaustive list. For more information on prohibited items, please review the Residence Hall Handbook.
