INTERNSHIP AUTHORIZATION STUDENT AGREEMENT

To be signed by student

By signing below, I agree to adhere to the following policies of the Illinois Tech's Stuart School of Business Internship Program. I understand that failure to abide by any of these rules may lead to the early termination of my internship privileges.

- 1. Acceptance into the Internship Program is determined by the Stuart School of Business and the International Center, based on completion of two (2) full-time terms with a cumulative GPA of 3.0 or above (without any Incompletes or E grades) and good disciplinary standing. Continuation in the program is dependent upon maintaining the 3.0 GPA (without any Incompletes or E grades) and disciplinary standings, submitting the required evaluation forms and receiving satisfactory performance evaluations.
- 2. The student is required to immediately inform the Career Management Center (CMC) of any changes in employment status or problems, and meet with the CMC before and after each work term.
- 3. Since internship is an academic program, registration as well as start and end dates of work terms must follow the academic calendar. DEADLINES FOR INTERNSHIPS ARE STRICTLY ENFORCED, please see the Stuart CMC website for deadlines.
- 4. After receiving authorization and a registration permit from the Career Management Center, the student must register for the internship course. The student must register for the appropriate internship course for each work term, including summer. Students who fail to register during the appropriate work terms may become out of status and/or lose scholarship eligibility, in addition to other consequences.
- 5. Students are required to participate in an evaluation process each semester at the work site. The student and supervisor will determine objectives and learning goals at the beginning of the term, and evaluate progress toward those objectives at the end of the term, which must be reviewed and approved by the academic advisor then submitted to the CMC. If the original, signed copies of both the student and employer evaluations are not submitted at the end of the semester the student will not be permitted to participate in another INTERNSHIP.
- 6. Students working in full time internships may take a **maximum** of 6 credit hours during a work semester. Students working part-time internships must take a **minimum** of 5 credit hours. Coursework loads over this limit must be approved by their academic advisor.

Failure to adhere to these policies, outlined above may result in dismissal from the Internship Program and other CMC services.
