AN INTERNATIONAL CAMPUS

% of graduate students who are classified as international students .......................... 62%
% of undergraduates who are classified as international students .................................. 21%
Number of countries represented by Illinois Tech’s student body .................................. 100

ATHLETICS

Team Name ................................................................. Scarlet Hawks
Athletic Division ...................................................... NCAA III
Number of Varsity Sports Teams ............................................. 16

ALUMNI

Number of Living Alumni .................................................. 77,194

RESEARCH INSTITUTES AND AFFILIATES

The Institute for Food Safety and Health (IFSH) is a world-renowned food science research institute focusing on food safety, food defense, and nutrition for stakeholders in government, industry, and academia.

Pritzker Institute of Biomedical Science and Engineering is an umbrella organization that enhances the biomedical science and engineering research activities at Illinois Tech.

Wanger Institute for Sustainable Energy Research (WISER) is an umbrella organization that joins energy and sustainability research with educational activities across the colleges and institutes at Illinois Tech.

University Technology Park at Illinois Tech is a state-of-the-art research park composed of laboratories, office buildings, and an incubator to assist science and technology startups and growing businesses. 2017 TENANTS: 21

DISTINCTIVE EDUCATIONAL PROGRAMS

IPRO

Launched in 1995, the Interprofessional Projects (IPRO) Program features teams of students from a variety of majors that develop solutions to real-world problems using design-centered methodology and innovative thinking.

M. A. AND LILA SELF LEADERSHIP ACADEMY

The M. A. and Lila Self Leadership Academy is a special student-training program designed to develop the next generation of global leaders.

DUCHOSOIS LEADERSHIP SCHOLARS PROGRAM

One of Illinois Tech’s most prestigious opportunities, the program challenges students to think boldly and creatively in their fields and across disciplines—and provides support to experiment and pursue extraordinary work.

SPECIAL DEGREE PROGRAMS

Qualified Illinois Tech students can take graduate-level courses in their third year of undergraduate study—and earn both their bachelor’s and master’s degrees in a wide variety of programs in as few as five years.

About Illinois Tech

THE ED KAPLAN FAMILY INSTITUTE FOR INNOVATION AND TECH ENTREPRENEURSHIP

THE PHYSICAL MANIFESTATION OF A TRANSFORMED CURRICULUM DRIVEN BY APPLIED CREATIVITY

did you know?

- In September 2017 the final steel beam was placed within the Edward J. Kaplan Family Institute for Innovation and Tech Entrepreneurship, currently under construction. Designed by acclaimed architect and Illinois Tech Professor of Architecture John Ronan, the Kaplan Institute is projected to open in late 2018.
- In 2017 PayScale ranked Illinois Tech #1 in Illinois and #75 in the United States among universities for the salary potential of its graduates who earn a bachelor’s degree.
- The cell phone, magnetic recording, tall building architecture, and barcode technology are just a few of the innovations associated with Illinois Tech faculty and alumni.
- S. R. Crown Hall, home to Illinois Tech’s College of Architecture, is a National Historic Landmark—and is considered by many to be one of the iconic buildings designed by legendary architect Ludwig Mies van der Rohe.
- A total of 25 National Science Foundation CAREER Awards have been given to faculty members including two awards in 2017. One researcher was also the recipient of a U.S. Air Force Young Investigator Research Program grant.
- In 2016 the Robert A. Pritzker Science Center (formerly Life Sciences Building) was dedicated.
- The Master of Science in Finance Program at Stuart School of Business is ranked 5th in the nation and 42nd in the world by the Financial Times.
- Nayar Prize I was established in 2015 to recognize innovations developed by Illinois Tech faculty, staff, and students that have a meaningful societal impact. Nayar Prize II was added in 2016. Faculty teams are participating in both prize competitions in 2017.
