

# How do I apply for graduation?

To apply for graduation follow these steps:

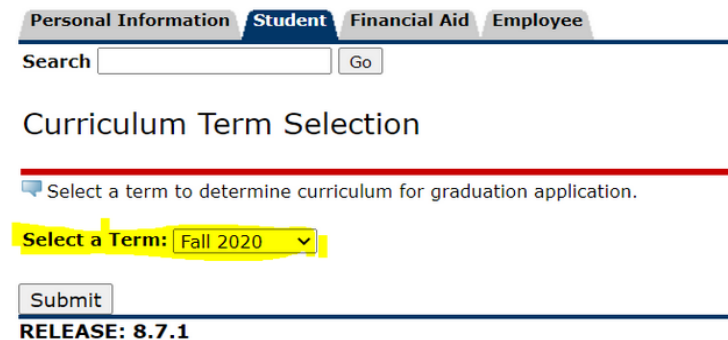

1. Go to myIIT Portal.
2. Click on the Academics tab

3. Click on the **Graduate Application for Graduation**

4. Select the term in which you want to graduate.
5. Select your degree

Please note, Main Campus graduate students, including ID, Rice and Moffett campuses, must have earned the appropriate amount of credits, as noted below, in order to access the online Graduation Application.  
Master's Level (excluding Stuart): 15 Credits  
Ph.D. Level: 69 Credits

Graduate certificate students should continue to use the paper application available online at [http://www.iit.edu/graduate\\_college/academic\\_affairs/FormsGradStu.shtml](http://www.iit.edu/graduate_college/academic_affairs/FormsGradStu.shtml).
