

## How Do I Apply for Degree Conferral (Graduation)?

Through the myIIT portal, choose the Academics tab, followed by the Student Records link.

The screenshot shows the myIIT portal interface. At the top, the Illinois Institute of Technology logo is visible. Below the logo, there is a navigation bar with various icons for services like E-mail, Calendar, Groups, blackboard, people admin, ots support, library e-resources, and cognos. The 'Academics' tab is highlighted and circled in red. Below the navigation bar, there are several panels: 'Academic Profile', 'Registration Tools', and 'Banner Student Self Service'. In the 'Banner Student Self Service' panel, the 'Student Records' link is circled in red.

From the Student Records menu, select Apply to Graduate.

The screenshot shows the 'Student Records' menu. The menu items are: View Holds, Midterm Grades, Final Grades, View Unofficial Transcript, Course Catalog, View Student Information, Class Schedule, Order Official Transcript, Apply to Graduate (circled in red), View Application To Graduate, and View Application To Graduate. The 'Apply to Graduate' link is highlighted with a red circle.

Please note, undergraduate students must be classified as **fourth** or **fifth** year students in order to access the online Graduation Application.
