In order to take the OPT Tutorial, students must enroll in the International Center OPT Tutorial course through their Blackboard account.

1. Access the International Center OPT Tutorial course directly here:
   https://blackboard.iit.edu/webapps/blackboard/execute/courseMain?course_id=_36842_1
2. Log in to Blackboard using MyIIT credentials
3. Click on “Click here to enroll”

4. Click “Enroll” on the left hand side

5. Click “Submit” in order to complete the self-enrollment
6. Click on “OK” after successfully enrolling in the course

7. The International Center OPT Tutorial course will now be listed as one of your courses

8. Begin the OPT Tutorial modules
