AP-100
Segregation of Duties in Payment Processing

Prepared By: Director of Procurement Services, Associate Controller-Disbursement & Taxation
Approved By: Associate VP Finance & Controller
Effective Date: 1/1/2019

Purpose
To safeguard university assets, maintain cost control, and manage cash flow.

Policy
- Duties related to purchase, receipt, and payment for goods and services are to be segregated.
- All payments for goods or services provided to the university must be processed through the Accounts Payable Department and the Banner Financial System except for payments made through the university procurement card program.
- An individual ordering goods or services may not process payments for those services, only the Accounts Payable Department may process payments through the Accounts Payable module of the Banner Financial System.

Definitions
- IIT Banner System – the electronic system used for recording all accounting related transactions
- Authorized Purchasers - IIT Employees authorized to commit IIT Funds using the IIT Banner System to generate requisitions for purchase orders.
- Occasional Purchasers - IIT Employees who are not generally authorized to commit IIT Funds but who may, by supervision approval, make purchases (under $500 or travel related) that are reimbursable by IIT

Procedures
- Authorized Purchasers must apply for access to the IIT Banner System
- Occasional Purchasers not having access to the IIT Banner System but needing to make purchases amounting to $500 or more must work through an Authorized Purchaser
- All invoices must be sent to Accounts Payable for payment processing
