Please explain your reason for registering late.

If petition is approved, you are authorizing the Office of the Registrar to administratively register you for the requested course section above. By registering for courses at IIT, you accept financial responsibility for payment in full of your student account plus (if necessary) any additional costs that may be incurred by the university in the collection of these debts, including late payment fees or late registration fees. Failure to pay a past due debt will result in a registration hold preventing future registration and prevent the release of official university documentation such as transcripts or diploma until all debt is paid in full. Failure to pay a past due debt may result in the debt being listed with the State Comptroller’s Offset Program, being referred to a collection agency, and/or initiation of other authorized legal debt-collection procedures. Under such circumstances, you are responsible for all fees and costs incurred by IIT in the collection of the past due debt, including collection fees and/or attorney’s fees.
